

## What makes #8 Mastic® Green?

- It's a Building Component that reduces heating and Cooling Loads.
- It releases minimal pollutants. VOC content less than 10 grams/liter!
- Blocks introduction, development, or spread of indoor contaminants.
- Contains recycled materials.

### #8 Mastic® earns the following LEED 2009 Credits:

#### For New Construction and Major Renovations

- MR Credit 4: Recycled Content
- EQ Prerequisite 1: Minimum IAQ Performance
- EQ Credit 4.1: Low-Emitting Materials: Adhesives & Sealants

#### For Core and Shell Development

- MR Credit 4: Recycle Content
- IEQ Prerequisite 1: Minimum Indoor Air Quality Performance
- IEQ Credit 4.1: Low-Emitting Materials: Adhesives & Sealants

#### For Retail: New Construction and Major Renovations

- MR Credit 4: Recycled Content
- IEQ Prerequisite 1: Minimum Indoor Air Quality Performance
- IEQ Credit 4: Low-Emitting Materials

#### For Healthcare

- MR Credit 3: Sustainably Sourced Materials and Products
- IEQ Prerequisite 1: Minimum Indoor Air Quality Performance
- IEQ credit 4: Low-Emitting Materials

#### For Commercial Interiors

- EA Credit 1.3: Optimize Energy Performance – HVAC
- MR Credit 4: Recycled Content
- IEQ Prerequisite 1: Minimum IAQ Performance
- IEQ Credit 4.1: Low-Emitting Materials: Adhesives & Sealants

#### For Schools New Construction and Major Renovations

- MR Credit 4: Recycled Content
- IEQ Prerequisite 1: Minimum Indoor Air Quality Performance
- IEQ Credit 4: Low-Emitting Materials

#### For Retail: Commercial Interiors

- EA Credit 1.3: Optimize Energy Performance – HVAC
- MR Credit 4: Recycled Content
- IEQ Prerequisite 1: Minimum Indoor Air Quality Performance
- IEQ Credit 4.1: Low-Emitting Materials – Adhesive & Sealants

#### For Homes

- MR2: Environmentally Preferable Products 2.2

### #8 Mastic® is classified under the following categories:

- Builder Categories: Mechanical Systems/ HVAC: Duct Mastics
- Builder Categories: Caulk & Adhesives: Duct Mastic
- CSI Divisions: Mechanical: CSI number 15821: Duct Mastic
- Green Tropics: Energy: Heating, Cooling & Ventilation: HVAC Distribution Systems
- Green Tropics: IEQ: Indoor Pollution from Materials: Reduction of Indoor Pollutants
- Green Tropics: IEQ: Ventilation & Air Distribution: Management of Pressure Relationships.

#8 Mastic® is eligible for the energy tax credits provided in the American Recovery & Reinvestment Act of 2009.

"Helping You Build Affordable Green Comfort Since 1958"
